## Selected Experience

- Consultant for plaintiffs' counsel in a matter involving hourly, non-exempt hospital employees to determine damages related to rounding and meal breaks.
- Consultant for a grower to review time and pay records with respect to minimum wage, overtime, meal and rest breaks, and regular rate of pay.
- Consultant for plaintiffs' counsel in a matter involving medical flight crew to determine damages related to overtime, meal breaks, and rest breaks.
- Consultant for defendants' counsel in a PAGA matter involving commission-only dealership employees who alleged that they were not paid at least minimum wage for all hours worked and missed meal and rest breaks.
- Consultant for plaintiffs' counsel in various matters which alleged that distributors were misclassified to determine damages related to overtime and business expense deductions.
- Consultant for plaintiffs' counsel in a matter involving hourly janitorial employees to determine damages related to cell phone reimbursement.
- Consultant for plaintiffs' counsel in various matters involving call center staff to determine damages related to off-the-clock work in starting their shifts, at the meal break, and at the end of their shifts.
- Consultant for plaintiffs' counsel in a matter involving flight attendants to determine damages related to minimum wage, overtime, meal breaks, and rest breaks.
- Consultant for plaintiffs' counsel in a matter related to the late fee that a landlord charged to its tenants for late payment of rent
- Consultant for a network of health care providers to perform labor rate examinations of the general contractor and subcontractors for contract negotiations. Evaluated contractors' proposed billing and overhead rates.
- Consultant for defendant and cross-complainant, an owner of medical facilities, in connection with claims of breach of contract and violations of the False Claims Act. Assisted in analysis of contractor records to evaluate claims.
- Consultant for respondent, a design-build contractor of a hotel tower, in connection with claims of breach of contract and abandonment of contract. Assisted the expert in determining the total cost of the work.
- Consultant for defendant, a pharmaceutical and medical products company, to evaluate damages claims resulting from the alleged infringement by defendant of several patents.
