HEMMING.COM

Profile

Sarah Graham is a Senior Associate with a practice focused on economic damages and forensic accounting, with significant experience in complex marital dissolution matters. Sarah develops detailed financial analyses and models relied upon in settlement negotiations and court proceedings, and has experience preparing expert reports and providing testimony.

Prior to her work in forensic accounting, Sarah practiced as an attorney in Minnesota, representing clients in family law and domestic abuse matters. Her legal experience includes trial and appellate work, providing her with a practical understanding of litigation strategy and evidentiary standards. Sarah is a Certified Public Accountant in Minnesota and is admitted to the Minnesota Bar.
